

Camarillo EvFree Women's Ministries presents

Women serving the Lord

November 7, 2015 | 9:30 - 11:30 am | Fellowship Hall | Sign-ups starting October 16

"I say to you, lift up your eyes and look on the fields, that they are white for harvest."

There are many women in our church serving behind the scenes, out in the community, and **around the world.**

Cuba's doors are open, let the harvest begin!

Mary Lee will be traveling to Cuba with Hope4Kids, working with schools and a church to assess needs, serve the people, and share the Lord. **Saturday, November 7th**, we invite women and their daughters to come and hear about the **THE HARVEST in Cuba.**

John 4:35
