
THE TRIUMPHAL ENTRY: MORE THAN JUST A PARADE
Matthew 21:1-11

A parade has no purpose beyond itself; an inauguration is the start of a new era.

Embracing a new role ...

The pivot point in ministry didn't change who Jesus was, but it did intensify his actions.

When we embrace our role in God's kingdom, we embrace our destiny.

When it's time to act ...

Successful pivots capitalize on a new situation to motivate new purpose and sacrifice.

When the parade is over ...

When the new door opens, the old door closes.

Something to Think About – Week of March 20th

Sunday Jim talked about the planned pivot that Jesus made when he entered Jerusalem in the Triumphal Entry. It closed a door on the way he had ministered and opened the door to a new pathway.

Read Hebrews 5:7-9.

What did Jesus do to in order to meet the challenge of the direction that God had given him?

Was the challenge pleasant or difficult?

After all that pain, and the struggle of following, was it worth it?

What pivots have you faced or are you facing in your life?

What can you learn from the example of Jesus?
