

EFFECTIVENESS

2 Peter 1:3-11

“Efficiency is doing things right; effectiveness is doing the right things.”

Peter Drucker

Effectiveness starts because of what we have been given

(2 Peter 1:1-4; Ephesians 2:3, 8-9)

True effectiveness in spiritual growth never begins with what we have earned; it begins with what we have been given.

Five qualities that insure our victory. Jesus is...

- The Christ of power
- The Christ of generosity
- The Christ of promise
- The Christ of deliverance
- The Christ who shares his nature

Effectiveness grows because of what we do

(2 Peter 1:5-9; Galatians 5:22-23; 1 Timothy 6:11)

Seven qualities that we add:

If we are to be successful, we must be

- Intentional
- Focused
- Growing in skill
- Consistent over time

Growing in knowledge of Christ helps our hearts more than it helps our heads

Effectiveness affirms who we are

(2 Peter 1:10; Philippians 2:12; Matthew 7:16-20)

Our calling and our election is confirmed to us; God needs no confirmation.

Our growth assures strength, consistency, and a rich welcome
