Hungry -

John 6:33-34, 47-51 Jesus challenges what we pursue in order  
to find the nourishment we’re craving.

Eternal Life – Quality before Quantity

John 6:54-55, 57-58 Jesus requires we choose him for who he is, not for what we want him to be.

Who is he -

John 6:66-68 Satisfaction is found in Christ alone through his word.

The words of life -

### Getting to Know You

1. Share a time when you have been in a crowd about the size of the one in this miracle. Do you think the people in the back even knew a miracle was taking place?

### Into the Bible

2. The two miracles in John 6 had no lasting physical results. The people woke up hungry the next day and had to eat the ordinary way. Jesus stepped into the boat and rode to shore with the disciples. So, if we miss the spiritual meaning, we miss everything important. Read Numbers 11:4-9. How is the grumbling of the Israelites similar to the grumbling of the Jews in John 6?
  
3. Peter said in John 6:68, "You have the words of eternal life." Yet many of his earliest disciples walked away when they heard the hard words that Jesus said. Read 2 Corinthians 15-16. How can the aroma of Christ that we carry be the aroma of death for some and life for others?
