

The Week That Changed Human History

JOHN 11:17-27

I believe in Jesus Christ, his only Son, our Lord,
who was conceived by the Holy Spirit
and born of the virgin Mary.
He suffered under Pontius Pilate,
was crucified, died, and was buried;
he descended to hell.
The third day he rose again from the dead.
He ascended to heaven
and is seated at the right hand of God the Father almighty.
From there he will come to judge the living and the dead.

Small Group Study Questions

1. What is a family tradition that you participate in over the holidays? Did that look different over the last couple of years? What does it mean to your family to carry on these traditions?
2. What was a gift that you gave or received that was particularly meaningful to you?
3. Was there a time over the holiday break that you clearly saw God working in your life or in a particular situation? Was it something encouraging? Something challenging that stretched and strengthened your faith? Who was with you to share it with or help you see it?

4. Who is someone that you come into contact with during the holidays that you are specifically praying will come to faith? Did you have any opportunity to share the gospel with them this year?

5. As we come into the new year, many people make resolutions about what they will change or improve upon. As you look at your Christian walk, are there areas where you want to make some intentional changes this year? Sharing them with the group is a great way to develop accountability and encouragement!
