Sunday School 10am

“Calling all people to receive, demonstrate, and declare God’s transforming grace through Jesus Christ.”

Welcome to Chapel City Church –

Welcome to our time of worship together here at Chapel City Church. We are so glad that you are here, and we would love the opportunity to answer any questions that you might have, and to know how we can be praying for you! This morning we will open the book of Obadiah together. Although it's the shortest book in the minor prophets (and the whole Old Testament), it has an important message for us. Through his prophet, God is going to send a warning and a promise. But this time, the warning isn't for his people, Israel. So why is a warning to Edom relevant to us today? How can we take comfort in promises made to Israel nearly three thousand years ago?

Guests:

If you're our guest, you can get information by filling out a Connection Card and handing it to an usher. We would like to get to know you.

Prayer & Care:

Please let us know how we can be praying & caring for you! Prayer Request cards can be found as you enter or include your prayer request on the connection card found in your bulletin. These can be given to an usher or placed in the offering boxes. If you would like to pray with someone after service, members of the prayer team will be standing by. If you have a need, please email Elaine Lucas care@chapelcity.church. Let us help!

Give:

Your financial support helps us to do ministry. Please consider making a donation by placing your offering in one of the offering boxes located at the entrance or online at chapelcity.church/giving/.

God of the Nations

Obadiah 1

Listen to sermons online at chapelcity.church/sermon-archive.

For the day of the Lord is near upon all the nations.
As you have done, it shall be done to you;
your deeds shall return on your own head.
For as you have drunk on my holy mountain,
so all the nations shall drink continually;
they shall drink and swallow,
and shall be as though they had never been.

Obadiah 15-16

Let us watch against pride in every shape - pride of intellect, pride of wealth, pride in our own goodness, pride in our own deserts. Nothing is so likely to keep a man out of heaven, and prevent him seeing Christ, as pride. So long as we think we are something, we shall never be saved.

-J.C. Ryle
