

Serving in Light of the Gospel – Discussion Questions

1. Was someone's generosity, attitude, care, or service instrumental in causing you to glorify God? This might be in your own conversion, or some other way you were specially blessed. Tell us about it.
2. Can you think of a service opportunity you have been involved in (either as an individual or as part of a group/event) that was effective in gospel outreach? What made it effective?
3. Can you think of a service opportunity that was not effective in gospel outreach? What made it ineffective?
4. What are some examples of outreach we already do at church? What makes them effective in glorifying God? Any ideas for how to make them more effective?
5. Do you have ideas for other ways that we could glorify God in gospel outreach as individuals, as a small group of friends, or even as the whole church?
